

# Music Lab: Rhythms

## Part 1

1. The 5 elements of music are \_\_\_\_\_, melody, harmony, \_\_\_\_\_, and expression.
2. When we combine these elements, we get \_\_\_\_\_.
3. Rhythms are patterns of \_\_\_\_\_ and \_\_\_\_\_ sounds.
4. We can measure rhythms with the steady \_\_\_\_\_ of a song
5. The steady beat is the \_\_\_\_\_ of a song that never changes.
6. Steady beat is like the click of a \_\_\_\_\_. It is steady and never changes.
7. A whole note is worth \_\_\_\_\_ beats
8. A half note is worth \_\_\_\_\_ beats
9. A quarter note is worth \_\_\_\_\_ beat
10. An eight notes is worth \_\_\_\_\_ of a beat
